# Welcome to the 2023 Des Moines Concours

The Iowa Automotive Heritage Foundation (IAHF) exists to enhance and promote the automotive heritage of Iowa. Its goals are accomplished through educational projects and programs that celebrate automotive art and design and highlight the social and economic benefits of our automotive heritage. A key event is the Des Moines Concours d'Elegance, held each year on a Sunday in September on closed streets surrounding the internationally recognized John and Marry Pappajohn Sculpture Park in the Western Gateway area of downtown Des Moines.

Now in its twenty-third year, the 2023 Des Moines Concours d'Elegance presents one of the largest collections of remarkable automobiles ever displayed around the Pappajohn Sculpture Park in downtown Des Moines. The Concours Committee sincerely thanks our many sponsors and volunteers for their generous support. **And we're especially grateful to our exhibitors, many of whom have traveled long distances to share their vehicles. The Des Moines Concours could not exist without them.**

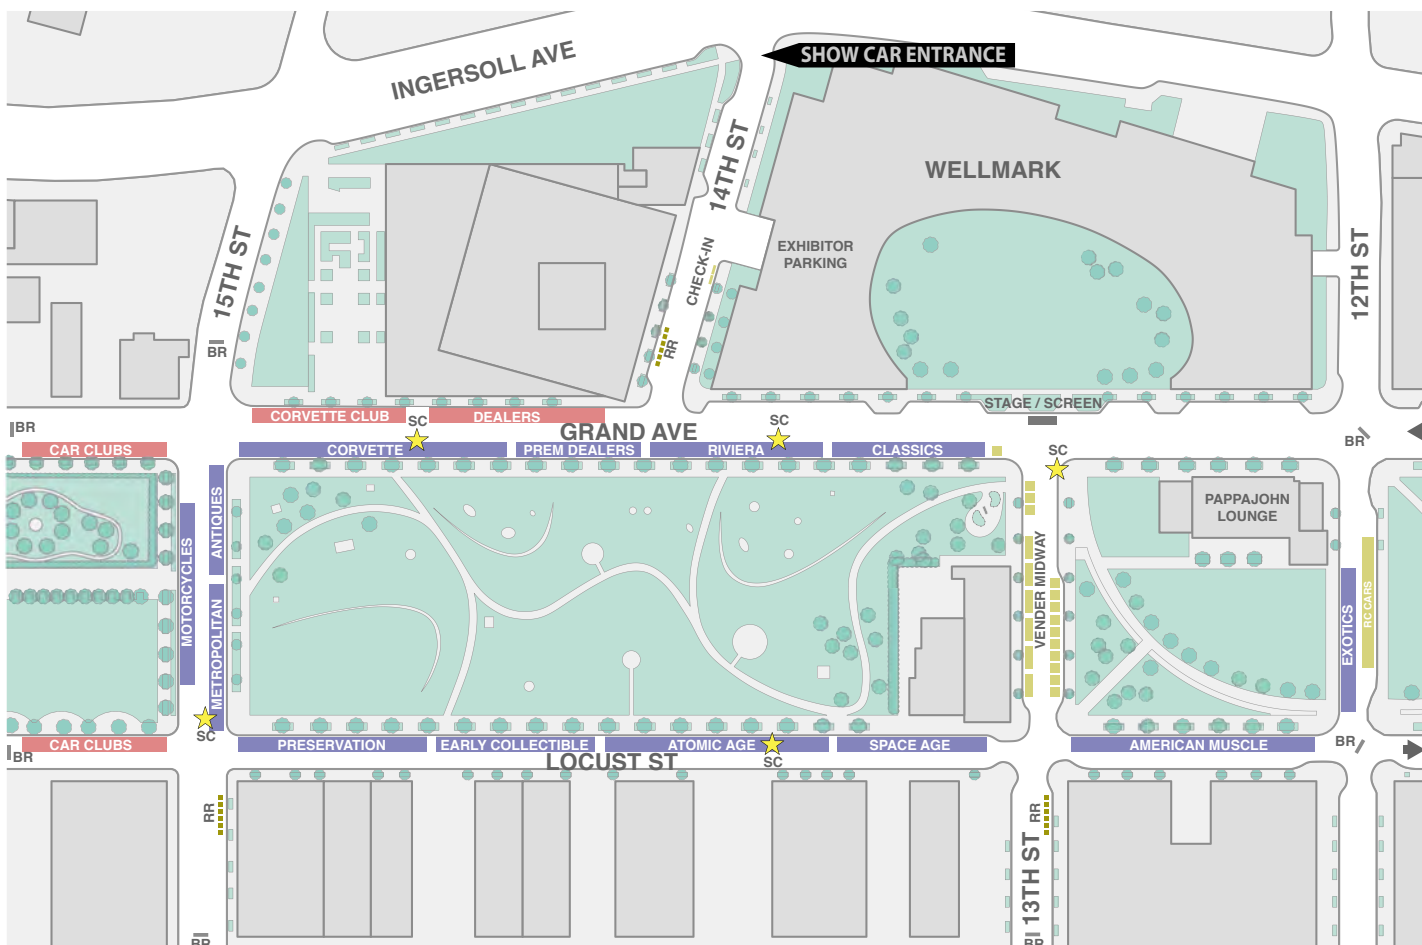

A special thank you to the **Premier Chevy Dealers**, our Presenting Sponsor! And also a big thank you to the **Polk County Board of Supervisors** for their generous donation. Their belief in the Des Moines Concours and the IAHF's mission is greatly appreciated.

**A list of our exhibitors starts on page 15.** They are listed by class. Star Cars are scattered throughout the show field. Each exhibitor has a story to tell about their vehicle and they are happy to share.

If you are interested in purchasing a post-event book offered later this year featuring all the Award Winners, please email us at [desmoinesconcours@gmail.com](mailto:desmoinesconcours@gmail.com) and we will send you more information on how to order.

Enjoy the event! And thank you for attending.

## Protective Solutions

*Preserve and enhance your vehicle with  
Paint Protection Film | Clear Bra • Nano Ceramic Coating*

### Meet Rudi Muharemovic

Rudi and his wife came to Iowa from Bosnia in 2000 after graduating from college. Rudi began working at Willis Auto Campus in 2012, where he learned the PPF installation process from Willis' founding PPF installer at the time. In February of 2021, Rudi pursued his "American dream" and opened Rudi's Protective Solutions, LLC in Urbandale, offering complete wraps, window tints, protective paint film (clear bras) and paint correction and ceramic coatings.

Rudi is the preferred film installer for many of Central Iowa's most prominent auto dealers, and as the word gets out, to many auto owners, especially those with luxury and exotic cars. Rudi's passion for excellence and his clients' complete satisfaction borders on fanatical. He fiercely stands behind his work.

For clear film paint protection, window tints and ceramic coatings, Rudi exclusively installs XPEL products. Widely regarded as the premier vinyl product, XPEL offers superior shine, durability and self-healing capability. For colored wraps, Rudi offers film products by 3M, Avery-Denison and Platinum Wrapping, Germany's highest-quality provider of color wrappings. Rudi is the only factory-certified installer in Iowa for Platinum Wrapping.
