- Video or logo streaming on the 17'x 10' electronic jumbo screen the day of the event. Please inquire for specifications and additional information.

Thank you for your commitment to the Iowa Automotive Heritage Foundation. The Foundation's purpose and mission is to enhance and promote the automotive heritage of Iowa and the Midwest through educational projects and public awareness programs that celebrate automotive art and design and highlight the social and economic benefits of our automotive heritage.

What people are saying about the Des Moines Concours d'Elegance

"At the beginning of every year, I circle the weekend following Labor Day to make sure I'm in town for the unique Des Moines Concours. Meteorological history confirms this is almost always a beautiful, warm Sunday with clear skies. Look it up! I've been plugged into the Concours for over 15 years as an exhibitor (my white 1976 Triumph TR-6 roadster), as a committee member, judge, announcer, and

a relaxed spectator. As you experience the colorful array of historic, rare, and fun cars, you'll also enjoy the car loving people from all over Iowa who come. Please join us!"

David Oman, Senior Advisor UNI Foundation and Car Guy

"Since first partnering with the Des Moines Concours in 2014, they've raised over \$130,000 to support Children's Cancer Connection programs. The event also gives us a great platform to spread awareness about the childhood cancer community and gives our families another fun opportunity to connect with

each other. Lots of families have enjoyed being a part of the youth judging and getting to see some of these cool cars up close!"

Jennifer Hines, CEO, Children's Cancer Connection
