Welcome to the 2026 Des Moines Concours

The Iowa Automotive Heritage Foundation (IAHF) exists to enhance and promote the automotive heritage of Iowa. Its goals are accomplished through educational projects and programs that celebrate automotive art and design and highlight the social and economic benefits of our automotive heritage. A key event is the Des Moines Concours d'Elegance, held each year on the Sunday after Labor Day in September on closed streets surrounding the internationally recognized John and Marry Pappajohn Sculpture Park in the Western Gateway area of downtown Des Moines.

Now in its twenty-sixth year, the Des Moines Concours d'Elegance brings together remarkable automobiles from Iowa and around the country. We are deeply grateful to the exhibitors that bring them and to the many sponsors and volunteers whose generous support and tireless dedication make this event possible year after year. Simply put, the Des Moines Concours would not exist without the passion and generosity of countless people. Their belief in the Des Moines Concours and the IAHF's mission is heart-felt.

With gratitude,
Joseph Phillips & Steve Simpson, Des Moines Concours Co-Chairs
